

CMCD Helps the Homeless avoid West Nile virus

The Collier Mosquito Control District initiated a program with the Collier County Hunger and Homeless Coalition and SC Johnson Corporation to provide Off! to local homeless people, thereby reducing their risk of contracting West Nile virus.

Marin Brouillard and Adrian Salinas are preparing to distribute OFF! insect repellent to the homeless.

Representing the Collier Mosquito Control District (CMCD) and the Collier County Hunger and Homeless Coalition (CCHHC) are from the left: Adrian Salinas, Public Information Officer CMCD / Marin Brouillard, Biologist CMCD / Petra Jones, Executive Dir. Naples Mental Health Association / Kelly Shaver Hayman, Administration, St. Mathews House.
